

## *Mech Adoption Interest Inventory (English)*

### Interest Inventory

Please answer "Agree" or "Disagree" to the following statements:

1. I would be interested in meeting with other girls who are pregnant to discuss how to make decisions about resolving a pregnancy.
2. I would be interested in talking with other girls who have chosen adoption for their child.
3. I might consider adoption if I thought it would help me finish school and get a job that I wanted.
4. I might consider adoption if I thought my child would have a better chance in life with another family.
5. I would be interested in talking to a family who had adopted a child.
6. I would be interested in talking to someone who was adopted.
7. If I could meet the prospective adoptive parents, I might consider adoption for my child.
8. I might consider adoption if I could have a part in choosing the adoptive family.
9. I might consider adoption only if I could see my child once in a while.
10. I might consider an adoption plan only if I could have information (pictures, progress reports) of my child growing up and knew everything was all right.
11. I might consider adoption if I thought that in the long run it would help me reach my own vocational and career goals.
12. I might consider adoption if I was sure that the adoptive family would give my child love, security and a good home.
13. I might consider adoption if I knew it fulfilled my responsibility to the child and I could move on with my life.
14. I am considering adoption.
